

Congratulations on your purchase and welcome!

It's fantastic to welcome you to our program. The course you now have access to is laid out across content blocks that either unlock sequentially, once you have completed the signing of this document. Upon the signing of this document, content blocks will be unlocked in full, allowing for full and immediate access.

Depending on the package/course that you have purchased; Contents, extras and bonuses are explained either within, or in the "community support" group you will be given access to. Please note that if a future instalment payment is not received, your account will be disabled immediately, and all content will remain inaccessible until the outstanding balance is cleared in full.

Support included within the program is provided via your Customer Success Manager who you can contact by email shortly after purchase. Support is always accessible via email and our community support group. This is provided for free on an ongoing basis. Whatever you need, whenever you need it. In addition to this you will be entitled to weekly Q&A sessions. This is provided free.

Prometheus is strictly an information product slash research publishing company and falls within the publisher's exemption of the definition of an "investment advisor". We do not provide individual investment advice. We are not registered with any financial regulatory agency such as the FSA in the UK or NASD, ASIC in Australia, SEC, or NYSE in the US. The information we publish is based on our opinions plus our statistical and financial data and independent research. Past performance is no guarantee of future results. For all our digital information products, we offer these under the online selling act. When you buy a course, you are sent an email containing details or how to access the content. As soon as you access said content you lose the "right to cancel". This is because you will have immediate and full access to the content to do as you wish with. This measure is in compliance with the current Office of Fair Trading Acts. Refunds are provided on a two-quarter performance basis. We want you to be satisfied with your purchase, but we also want you to give your best efforts to apply your chose strategy or strategies. In order to qualify for a refund, you must submit proof in a viable two quarter trade record format, history of every bot/trade performance that represents you have taken the necessary work, made a concerted effort, digested the course contents in full and consistently and correctly implemented your chosen strategy or strategies across this time period. This measure is in place to prevent piracy in the form of customers purchasing, digesting the information and claiming a refund. Performance based refunds must have invested up to, but not limited to an investment of \$10,000 or more to receive a full refund. Investment returns must be calculated in total Bot profit within a 90 day period to be eligible for the full performance based refund. Prometheus liability of any

action-based guarantees and/or refunds are only for the cost of the Prometheus educational program. Prometheus does not cover any underlying loss incurred via investments and trading.
